

A lifelong community of women helping women succeed!

StyleHER

Dress for Success Cincinnati solves the “Catch-22” that confronts women trying to enter the workforce: without a job, how can you afford an interview outfit? But without the outfit, how do you make a great impression at that interview?

As a Dress for Success Cincinnati client, we offer styling services for your upcoming interview as well as services when you land the job. During your styling appointment for your upcoming interview, you will receive one fabulous outfit, complete with shoes, accessories and a handbag. Once you are offered the job, you can return and be styled with 10 new pieces to start your new career in!

Women come to Dress for Success Cincinnati from a range of non-profit organizations or by filling out a request for services for themselves. As a client, you will work one-on-one with a highly trained volunteer Personal Stylist who will help you select professional attire and also provide support and encouragement.

Most of the clothing in our Style Studio comes from women who [donate](#) with the desire to help another woman succeed.

Style Kits

If our hours of operation do not work with your schedule, our Style Kit pickup service ensures you have the clothing and accessories you need to re-enter the workforce.

Here's how it works:

1. We contact you to get info about sizing and your style preferences.
2. Based on the information you give us about sizing and your style preferences, we will make a custom kit, complete with clothing and accessories. The Style Kit includes an outfit, shoes, purse, goody bag, Stitch Witchery, pants extender, and a packet of DFS tools and resources.
3. You can pick up your Style Kit at our office at a designated time.

If you receive items that do not fit, you do not need to return them to us. We'll ask you to please keep them and pass them along to someone you know who may need them.

Please contact our [Styling Services Manager](#) if you need additional information.
